

Child care vouchers for children 6 weeks to 13 years old

Alternate Name:

Category: [Childcare and Pregnancy](#)

Organization:

Description: Apply for vouchers from the city to help cover the cost of child care for children 6 weeks to 13 years old at home-based and center-based providers across NYC. Most families are required to pay part of the costs based on their income and family size, but your voucher will cover all of the costs if you are: a family on cash assistance, a family experiencing homelessness, or a foster care parent. Visit the website for eligibility and application details.
