

Low and No Cost Healthcare through NYC Health + Hospitals

Alternate Name:

Category: [Medical](#), [Mental & Behavioral Health](#)

Organization:

Description: Visit [NYCCare.nyc](https://www.nyccare.nyc/) or call 1-646-NYC-CARE (1-646-692-2273) to enroll in the NYC Care program and access low- and no-cost healthcare from NYC Health + Hospitals, regardless of immigration status. Even if you are unable to provide the required documents, you may still be able to enroll. This service is for people who do not qualify for healthcare based on federal guidelines. If you are eligible for another form of healthcare, you will not be eligible for NYC Care. Informational handouts in a variety of languages are available under the Resources tab.

Phone: 1-646-692-2273

Url: <https://www.nyccare.nyc/>

Email: NYCCare@nychhc.org

Additional Info

Application Process: To enroll, meet with an NYC Health and Hospitals financial counselor, meet with or call a MetroPlus representative, or go to a community-based partner (list linked under the Enroll tab). Government ID is required. While documents are required, you may still be able to roll if you cannot provide them. Individuals eligible for healthcare through another program are not eligible for NYC Care.
