

Find Your Local Farm Share to Buy Local Food

Alternate Name:

Category: [Food](#)

Organization:

Description: Use this website to find CSAs near you. Community Supported Agriculture (CSA) has become a way for consumers to buy local, seasonal food directly from a farmer. Here are the basics: a farmer offers a certain number of "shares" to the public. Typically the share consists of a box of vegetables, but other farm products may be included. Interested consumers purchase a share (aka a "membership" or a "subscription") and in return receive a box (bag, basket) of seasonal produce each week throughout the farming season.
