

# Free weekly grocery distribution

**Alternate Name:**

**Category:** [Food](#)

**Organization:**

**Description:** Find a Food Share location and weekly date/time on the website. Anyone can come to a Community Solidarity Food Share and get most, if not all, of the groceries they need for the week. Each Food Share is a free supermarket where community members share instead of pay for what they need. There are no prerequisites, there is no paperwork, all are welcome and everyone will be helped. We also share clothing, books, toys, school supplies, and other necessities.
