

Respite Opportunities for Family Members and Caretakers: Out and In-Home

Alternate Name:

Category: [Mental & Behavioral Health](#)

Organization:

Description: Contact AHRC's referral and information center to connect with their staff and make a referral for yourself or someone you know. AHRC provides respite opportunities for family members and caretakers of a person with a developmental disability who lives in the home with them. The need for respite care can range from a caretaker needing to go food shopping, visiting the doctor, or simply relaxing. AHRC's respite care ranges from a period of a few hours to a few weeks, also offering programs that engage people with disabilities after their day programs, on weekends and during vacations.
