

COVID-19 Vaccine Finder from NYC Department of Health

Alternate Name:

Category: [Medical](#)

Organization:

Description: A site to find your nearest COVID-19 or Monkeypox vaccination location in NYC. Includes NYC hubs, NY State-sponsored sites, Health + Hospitals sites, and private providers. Also provides information to schedule vaccination appointments, find walk-in sites, and includes links to information about eligibility and required documentation in the FAQs. Vaccines are free, do not require health insurance, and do not require a social security number. To receive a vaccination you can either make an appointment ahead of time, or locate a location that takes walk-ins as listed on this site. All city-run sites are now available for walk-ins.
