

Social Isolation Prevention for Adults 65 & Older

Alternate Name:

Category: [Eldercare](#), [Socializing \(e.g. video calls\)](#)

Organization:

Description: Social isolation is more than feeling lonely. It has a negative impact on our emotional and physical health — and its reached epidemic proportions. Are you or a loved one at risk? Our three-minute assessment can help you understand how connected you are and share information on helpful resources.
