

Improving Access to Healthcare for Immigrants

Alternate Name:

Category: [Medical, Social Service Guidance \(e.g. support filing for unemployment\)](#)

Organization:

Description: Make the Road New York works to guarantee equal rights, access, and improved healthcare for the 2.5 million New Yorkers with limited English proficiency. We provide one-on-one assistance with health insurance and food stamp enrollment, hospital bill negotiation, health system navigation, nutrition education and emergency food services, Community Health Worker training and services, and HIV testing referrals. Call (718) 418-7690.

Phone: (718) 418-7690
