

From Shelter to Apartment: A Guide to New York City's Department of Homeless Services

Alternate Name:

Category: [Housing](#)

Organization:

Description: A foldout poster (English and Spanish versions) that breaks down people's rights in homeless shelters and the different programs available to help them leave shelter and find affordable permanent housing. It also provides resources on other services shelter residents may have access to, like transportation benefits and storage grants, and what to do when your rights have been violated.
