

Free healthcare access application for people with HIV/AIDS

Alternate Name:

Category: [Social Service Guidance \(e.g. support filing for unemployment\)](#), [Medical](#)

Organization:

Description: The Uninsured Care Programs provide access to free health care (Drugs, Outpatient Primary Care, Home Care, Insurance Premium Payments, and Pre-Exposure Prophylaxis to prevent HIV infection) for New York State residents who are uninsured or underinsured. The Uninsured Care Programs are committed to working closely with providers and individuals to support access to the wide range of options for payment for health care services and medications for persons living with or at risk of acquiring HIV/AIDS.
