

At-Home Vaccination for NYC Residents

Alternate Name:

Category: [Medical](#)

Organization:

Description: New York City is offering in-home COVID-19 vaccinations to any City resident who requests one. Any New Yorker requesting in-home vaccination will now have the option to request their vaccine brand preference (Pfizer, Moderna, or Johnson & Johnson). Fill out the form to request a vaccination, and a city employee will contact you with details.

Phone: 1-877-VAX-4NYC
